OVERVIEW OF PEREZ

Founded in 1940, Perez provides a full range of services including architecture, landscape architecture, interior design, design-build, construction, and real estate development services. We offer a diverse portfolio of experience spanning nearly every building and project type imaginable. Recent work has emphasized disaster recovery, multi-family housing, education, hospitality, offices, historic preservation, rehabilitation, and landscape architecture.

Perez offers a flexible work environment that emphasizes the well-being of each of our employees while simultaneously providing excellent service to our clients.

OVERVIEW OF POSITION

Perez is currently seeking an Interior Designer with a minimum of 5 years of commercial interiors experience to join our team. We are looking to fill this position with a technically skilled candidate capable of developing quality design solutions responsive to the client's vision, goals and space requirements. Primary responsibilities will include preparation of design presentations and deliverables for each phase of design using REVIT and other design software as may be required. Ability to develop FF&E, color palettes and material presentations from the conceptual design phase through specifications is a must.

REQUIREMENTS:

- 5+ years of commercial interiors experience.
- Must be NCIDQ certified (or ability to obtain certification within 3 months of date of hire).
- Proficiency in hand-sketching, Revit, AutoCAD, Adobe Creative Suite, Bluebeam Revu, and Microsoft Office.
- Availability and willingness to travel to domestic and international project/client locations.
